Looking Forward to Looking Back

Sandwiched between childhood dreams and adult responsibility there are the confusing—dare we suggest turbulent?—years of high school.

The total fear I felt on the first day of freshman year is indescribable, though perhaps understandable when you learn that my mom packed me a turkey and lettuce on white, which I ate—from a plaid Eddie Bauer lunch bag—by myself in the crowded lounge. As traumatic as the experience seemed, however, I survived. I also outlived the lunch bag, which was discarded shortly thereafter.

That's not the point of the story, though. I know that there were many more lonely, sad days during my first year, but I don't remember them. On the other hand, I recall the good times with vivid clarity.

That's the funny thing about memory. It softens lines and blurs edges. It lumps all the negative experiences into an indistinguishable pile labeled "Learning" and allows them to rot in the recesses of our mind. It offers perspective; after all, the world didn't stop simply because I had no lunch companion on the first day of high school.

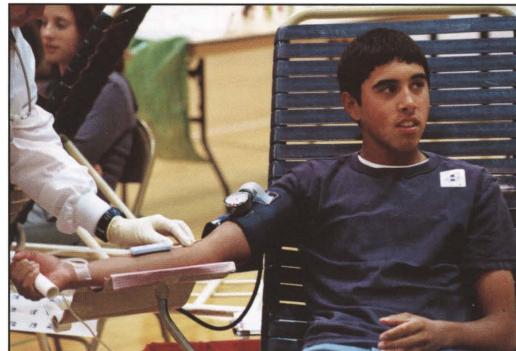

Luckily, memory also seems to enhance the positive. We have the ability to focus on small, but important details and let them become monstrously large in scope.

I assume that it is this phenomenon that is responsible for the fact that most people romanticize youth, idealize high school and insist on telling us that we need to reach out and grasp life with both hands, because it doesn't get any better than this. I also assume that I will one day be one of those people.

Someday, I will forget about freshman fear and remember senior superiority. The awards assemblies and motivational speakers will slip my mind, but I will recall getting out of school to watch the volleyball team bulldoze their way to State. The stresses associated with classwork and extracurriculars such as yearbook will fade away, and I will have only the finished product to admire.

When I say that I am looking forward to looking back, I really mean it. I hope you feel the same.

Every year is great one in the life of a U-High student. This year, however, was an especially exceptional one. How many times in the history of U-High could the students say they cheered on the volleyball team to a state title...and the girl's basketball team, boy's golf team, and girl's golf team to state appearances? How many past U-High students can say they experienced the first-ever Winter Ball? These are just a few outstanding activities that students took advantage of in the past year, along with events that occur every year at U-High, such as Class Night and the Black Light Dance. This year was full of fun.

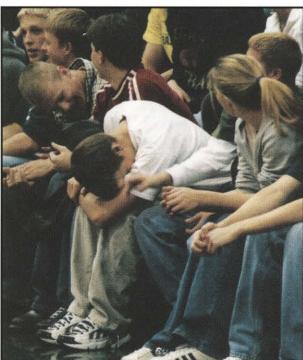

All in all, the life of a U-High student during the 2000-2001 school year was definitely a great one. With all the fun times and wonderful memories, it is one that students will be able to look back on with a smile.

SPIRIT 2000

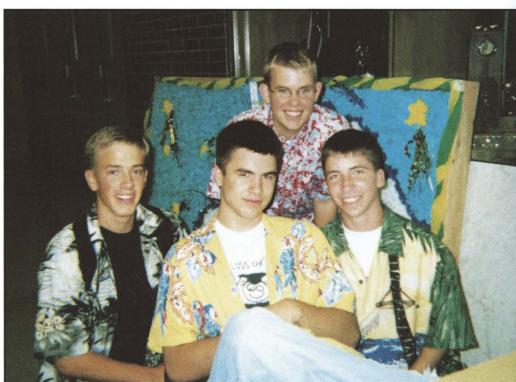

Spirit week is an enormous part of Homecoming. It is a time that allows students to show their school spirit while letting their personalities shine through in new and different ways. This year's dress-up days included Pajama Day, Decade Day, Hawaiian Day (referred to as Jimmy Buffet Day), Superhero Day, and Green & Gold Day.

The week preceding Homecoming was charged with anticipation for the game and dance. The halls were filled with people dressing up in support of their school. Some people went all out and dressed head-to-toe in seventies apparel, complete with leisure suits. Others chose a more subtle way of demonstrating spirit and wore small pieces that correlated with a day's given theme.

Superhero Day was a new dress-up day this year, and it proved to be extremely successful. Caped crusaders mingled with masked men--not to mention the favorite female feline Catwoman and her male counterpart Batman.

A pep assembly, followed by the annual bonfire, riled both the students and the football players up for the game on Friday and provided a good time for all of the kids, families, and faculty who attended. And that spirit did not go to waste. The Pioneers won the big Homecoming game on Friday against Corn Belt Conference rival Olympia.

At halftime, members of the Homecoming Court were led onto the field. A great cheer went up as seniors Nick Africano and Becky Skaggs were named King and Queen for the 2000-2001 school year.

HOMECOMING 2000

October 7, 2000 was an evening to remember, as members of all four classes gathered at U-High for the Homecoming Dance.

The senior senators rebounded from the previous year's disappointment, when they had pushed for a "Freefalling" theme at Junior/Senior Prom and been denied. Never ones to give up, they insisted that the popular Tom Petty song serve as the theme for Homecoming 2000 instead. Black, silver, and a variety of metallic colors adorned the darkened lounge, creating a more modern atmosphere. "The lounge looked really cool," noted senior Filipe Bessa. "It was definitely different than regular school dances."

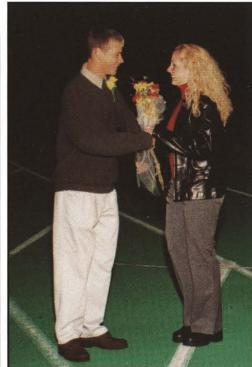

It was a "huge success," according to Ogonna Nnamani, Student Body President. "The participation from the students was great, and the decorations were nicely done," she said.

Coronation took place at 10:00 p.m., as 1999 Homecoming King Ryan Shaw and 1999 Homecoming Queen Lacy Penn returned to Stroud to pass their crowns on to seniors Nick Africano and Becky Skaggs. The DJ then played "Colorblind" by the Counting Crows as excited couples hit the dance floor once again.

Looking Forward to Dancing

This year was definitely a great year for dances at U-High. With a highly motivated and hard-working Senate organizing each one, decorations were always wonderful, and attendance at dances peaked.

Even though the Welcome Back Dance was unfortunately moved inside due to rain, it certainly didn't discourage kids from having a good time. Halloween was next and was a great time for all. Students came as Disney princesses, movie characters, ravers, and rock stars. For the second year in a row, Key Club teamed up with Senate to put on an awesome Black Light Dance, which was firmly established as a favorite among students. The lounge saw cacti and tumble weeds with a "South of the Border" TWIRP, and as usual, students celebrated Valentine's Day with a Sweetheart Dance.

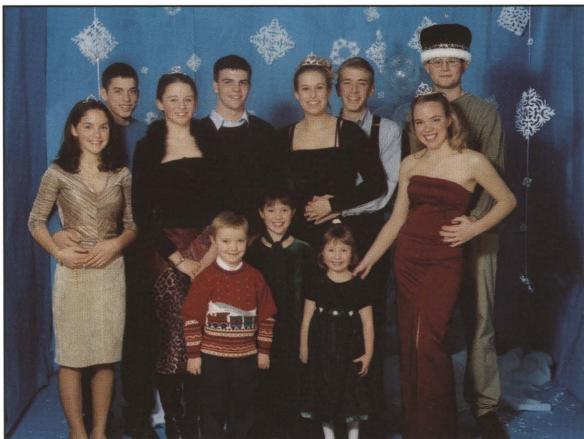

Perhaps the highlight of all dances this year was the first annual Winter Ball, which raised over \$2000 for charity. Held in December, right before Christmas Break, the theme was "Snow Angels," and each class selected a court to represent them. From those courts, two winners were chosen to be part of the Royal Court. Members of the first Winter Ball Royal Court were Kahla Dean, Calvin Kaisner, Ashley Lackovich, Stephen Brokaw, Ellie Somers, Peter Meismser, Erika Holt, and Nick Chiodo.

Pioneer Palooza 2001

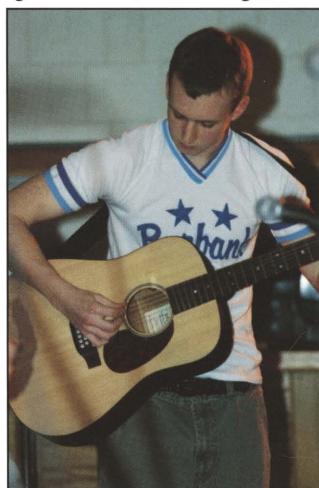

What do you get when you combine a little basketball, lots of high school students, and some good old-fashioned Rock 'n' Roll? You get Pioneer Palooza. Once again this year, the U-High Senate looked to the past and reintroduced an event that had not taken place for a few years. Back by popular demand, Palooza was definitely a success.

The night kicked off with a three-on-three basketball tournament, followed by performances by four bands made up of U-High students. Vernon, a group headed up by extremely talented freshman Luke Franks, started out the show. With a little mixture of the styles of Blink-182 and Green Day, the guys were a huge hit. Vernon was followed by Pure Blue, a more mellow group made up of lead singer and guitarist Dan Hubbard, singer and guitarist Nick Africano, saxophonist Filipe Bessa, and former U-High student and drummer Tim Kramp. These guys stole the show with their Dave Matthews Band sound. Last on the bill was Halogen Blue, a punk band that rocked the house. Vocalist and guitarist Matt Shaw belted out lyrics while David Reyes played the guitar and Neal MacCannell played the drums. Throughout the night, Clayton Tarr and David Milligan filled in with some classic covers.

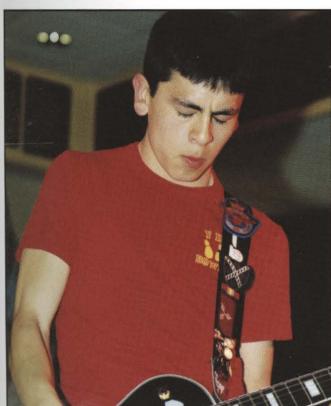

The night showcased U-High's wonderful musical talent well, and among the students, it was a huge hit.

Prom/After Prom 2001

Waterfalls

The Lafayette Club was the setting for U-High's Junior/Senior Prom, held on April 28, 2001. Happy couples gathered first in U-High's lounge for the Grand March, which commenced in Stroud at 4:30 p.m. Most then went out to dinner and had pictures taken before heading to Prom.

The theme this year was Waterfalls, and the chosen colors were light blue, purple and silver. Coronation took place at 10:00, when seniors Sean LaBounty and Wendi Roesch were crowned 2001 Prom King and Queen. The rest of the court, consisting of Kahla Dean, Liz Holt, Meghan Reynard, Becky Skaggs, Chelsea Yontz, Nick Africano, Filipe Bessa, Dan Hubbard, Ryan Scritchlow and Ken Temi, then hit the dance floor as the DJ played R.E.M.'s "Night Swimming." Soon, the rest of the excited couples joined them.

After Prom was again held at U-High, and Booster parents did their best to bring the theme "Tropical Paradise" to life in the hallways, lounge and gym. This year was a bit different, as the traditionally long event was shortened by an hour and ended at 3:00 a.m., but sumo wrestling, karaoke, caricature drawings, gambling and the auction were still options for after-prom goers.

Class Night 2001

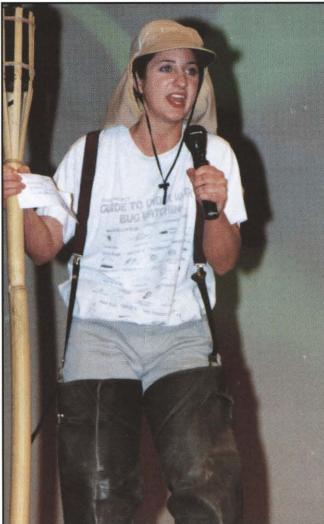

As the end of the year draws near, there are many things that the students look forward to: no one can wait to be done with classes and teachers, of course, and everybody is just dying to see what the seniors have cooked up for Class Night.

After many hours of script writing, meetings with the administration, set and costume design, video filming, and hectic last-minute rehearsals, the show was finally ready. From start to finish, the seniors had the auditorium filled with laughter and cheers. Skits like Jeopardy, Survivor, and Couple's Corner made for some great laughs, and the "U-High Rocks" and "Army of One" videos were awesome. The band that played this year was headed up by Dan Hubbard, and also included Nick Africano, Clayton Tarr, and Mike Kruse. They really pumped up the crowd with songs like "Joker", "Mr. Jones", and "I Think We're Alone Now." Throughout the night, there was also a fashion show, which featured many U-High students and teachers, a few lounge scenes, some of the infamous senior wills, and perhaps the most crowd appealing skit--the Britney Spears dancers.

When all was said and done, Class Night 2001 was an unforgettable night for the whole school, but especially for the seniors, who will never forget their last Class Night at U-High.

Senior Brunch

Generally it is tradition for U-High seniors to spend the last week before graduation participating in a variety of class activities.

Wednesday, May 16, 2001 was the seniors' last day of required attendance, and after the morning awards assembly, the class headed to Bloomington Country Club, where they feasted on a variety of meats, vegetables, fruits and desserts and handed out a few awards of their own.

The seniors hungrily awaited their turn to go through the buffet line, but were gracious enough to let the class advisors get their food first.

After eating, everyone gathered around the podium as Angie Basolo and Chelsea Yontz read the winners of the senior superlatives and handed out the \$1.00 gifts that accompanied such an honor. Cheers went up as people accepted awards such as "Best Body," "Big Man/Woman on Campus," and "Most Likely to Live in a Van Down by the River."

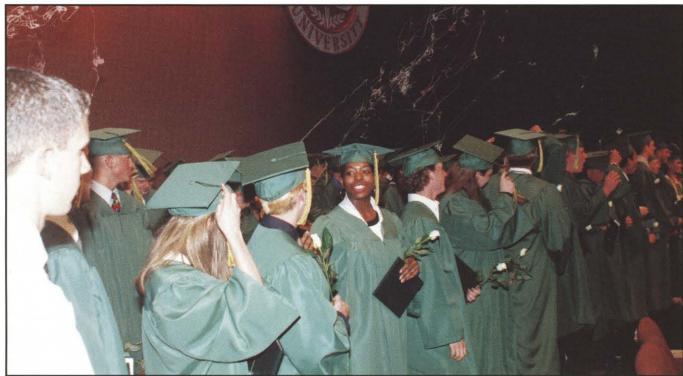

Shortly thereafter, baby pictures were shown to a nearly silent crowd. As the seniors filed out, they received their alumni cards and were reminded of that afternoon's Class Night rehearsal.

Graduation: A Night of Looking Back

As freshmen in high school, graduation seems so far away. But before you know it, you are a graduating senior, walking across the stage of Braden Auditorium in a cap and gown to receive your diploma.

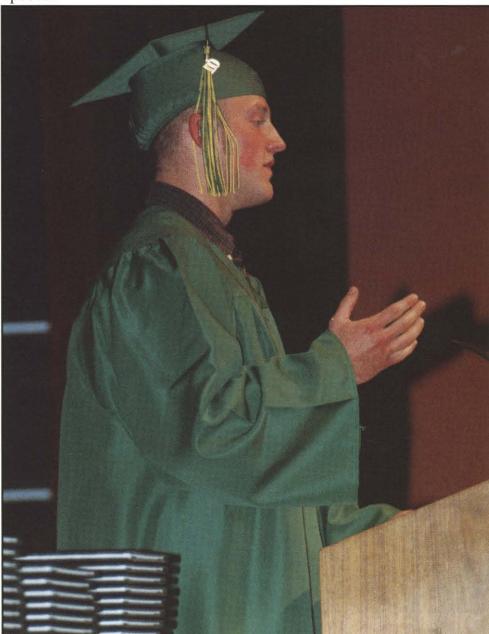

This year's senior class, as most other graduating classes, seemed to be in shock as they sat on stage and witnessed their graduation ceremony. One would think that a class filled with students attending top-notch universities across the nation--Stanford, Harvard, and Wellesley, just to name a few--would be filled with confidence in their futures and know exactly what they were looking for in their lives. Contrary to popular belief, however, the night was not filled with motivational speeches about where everyone would go and what they would accomplish; instead, the speakers reflected upon the amazing achievements of the class during the last four years, and all the memories that they would cherish.

It's hard to put into words what the end of a large chapter in one's life is like, and it's even harder to say good-bye to that chapter and move on to the next. The Class of 2001 was an extremely close-knit class, and they accomplished much together. Now it's time for them to go out and see what they can accomplish on their own during the next chapter of their lives.

JUNIORS

The 2000-2001 school year saw a change for the members of the Class of 2002. This change was evident as they made the long walk down the hill from the junior lot; they were finally upperclassmen.

Along with being upperclassmen, the Class of 2002 had to meet new responsibilities and challenges. Some of the challenges included harder classes and standardized tests such as the ACT. Thinking about college may have dampened their spirits for awhile, but, as always, the Class of 2002 came through and met these challenges. Junior year provided them with many memories and unforgettable moments, but most importantly, it made everyone ready to look forward to the future...and the senior lot.

SOPHOMORES

The transition between freshman and sophomore year is an exciting one. No longer the “new kids” on the third floor, 10th graders are finally fully immersed within the U-High culture. In addition to having more classes with upperclassmen, the FIRST hurdle has been cleared and more freedom is the result. Flexibility within the class schedules is important as sophomore year presents the excitement of driver’s ed and the possibility of parking in the junior lot.

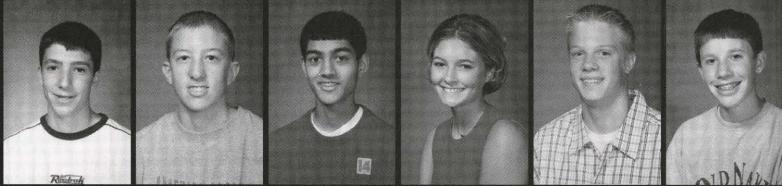

The period between freshman and junior years can be awkward and confusing, but the experience at U-High are unparalleled. The end of sophomore year marks the midpoint of the students’ high school career and provides an excellent time to reflect upon personal growth.

FRESHMEN

Freshman year in high school is a year of adjustments, learning experiences, and "firsts." It's a time to meet new teachers, make new friends, and begin creating memories that will last a lifetime.

Too often, freshmen are anxious to "grow up." They look forward to getting their license, becoming upperclassmen, and graduating from high school. Yet there are exciting things about 9th grade as well. This year's freshmen have witnessed their first state title as Pioneer fans. They may have attended Homecoming. They participated in student government, expanded horizons through projects and had the chance to be a part of Winter Ball Court

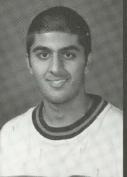

Freshman year is a foundation year; the experiences of today will help shape the rest of high school. May there be plenty of wonderful memories to build upon.

Looking Back on... ACADEMICS/ACTIVITIES

Right: Senior Kathryn Brown and Junior Angie Fulton duke it out in psychology class as Mr. Pulley tries to avoid being caught in the middle.

Though students often take it for granted, we here are very lucky. Most high schools enforce strict schedules, offer limited classes, and no free hours. However, at U-High, we never have to deal with these hassles. U-High places a great deal of trust in its students, allowing them to experience enormous amounts of freedom. That freedom is evident every time a student, teacher, or observer walks into the building and sees the students casually strolling the halls, hanging out in the lounge, or participating in one of the many different classes offered at U-High.

U-High students not only participate in the classroom, but outside as well. Many students take advantage of the opportunity to partake in clubs, activities, or take the initiative to start their own clubs as happened this year with Horizons, Crosswalk, and Film Club.

These academics and activities showcase the excellence, hard work, and pride that abounds in the U-High students. Whether in the classroom or outside of it, the Pioneers have a long-standing tradition of excellence. That tradition of excellence, along with the freedom and the trust given to us, makes attending U-High a special experience.

First Semester Academics

Academics are the real reason we attend school, whether we like it or not. However, U-High teachers do their best to make students' time in the classroom more enjoyable, and they almost always are successful.

U-High opened the doors to students this year with freshly painted green and gold lockers, and several new teachers. Mr. Conant helped the journalism class buckle down, and Coach Ware added new life to the Consumer Economics classes while at the same time outfitting much of the student body in his HEROH line of clothing.

Students also saw the addition of the new "Smart" classroom and a new Biology lab. As usual, freshmen had to adjust to the FIRST program, but the FIRST program did some adjusting of its own, adding three new teachers. Freshmen participated in the McLean County Project, while upperclassmen got involved in projects including Museum in the Classroom and the tech favorite, Rube Goldbergs. Whether it was returning to old academic projects, or starting new ones, U-High students wasted no time this year getting involved.

Above: Senior Kathryn Brown wards off an attacking Angie Fulton as Mr. Pulley looks on in terror and amazement.

Above: Freshmen Allie Aageson and Kelsey Bohling are anticipating all the excitement that lies ahead in their FIRST classes.

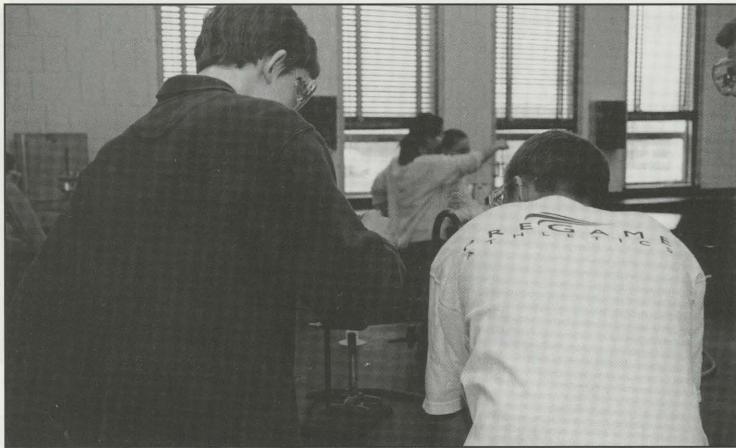

Above: Mrs. Thetard's AP Literature class is prominently featured in the yearbook due not only to their willingness to be in photos, but also because of their savvy attention to the latest pajama fashions. Shouldn't you guys be working?

Right: Senior Heath Brandon is intent on finishing his tech project. The male-dominated class is taught every year by Mr. Dearing.

Above: Dan Oltman and Julie Grubar give their brains a rest. The lounge is a place to unwind when the academic pressure is on.

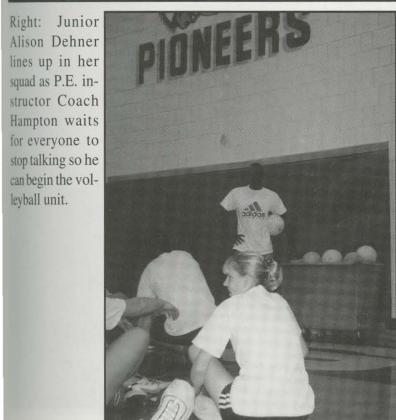

Above: Chemistry serves as a sort of rite-of-passage for sophomores and some juniors.

Right: The camera can tell no lies, as junior Christine Ziebart is caught in napping glory. Next to her, Steven Agge struggles to keep his eyes open.

Right: Junior Alison Dehner lines up in her squad as P.E. instructor Coach Hampton waits for everyone to stop talking so he can begin the volleyball unit.

Left: Senior Laura Berglund anxiously awaits the arrival of her friends and study buddies, so she can get down to the serious business of Bio II.

Second Semester Academics

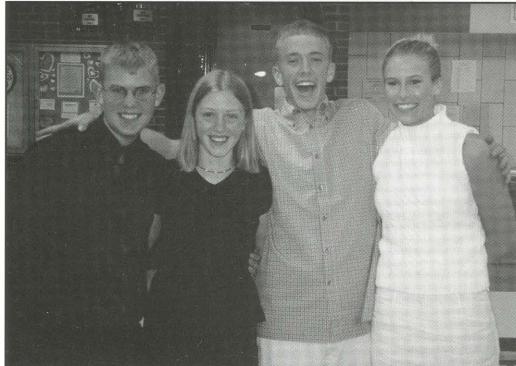

Second Semester can oftentimes be a little hard to handle. Christmas break and all the festivities are a thing of the past, and summer is still so far away.

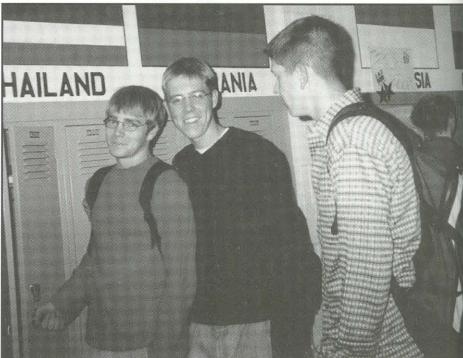

U-High students handled this time well, and with the help of their teachers, continued to stay involved in the classroom. Second Semester saw the addition of virtual high school classes, which allowed students to take classes not offered at U-High, such as AP Government.

Mrs. Witherow's French IV students were kept busy throughout the Fourth Quarter as they tried their best not to get their heads chopped off with the Guillotine Project, which helped them explore French history. Freshmen were occupied by the Pioneers of the Past unit and Project FIRST underwent intense scrutiny before it was decided to remove math from the curriculum and allow incoming freshmen the freedom to choose their own math class.

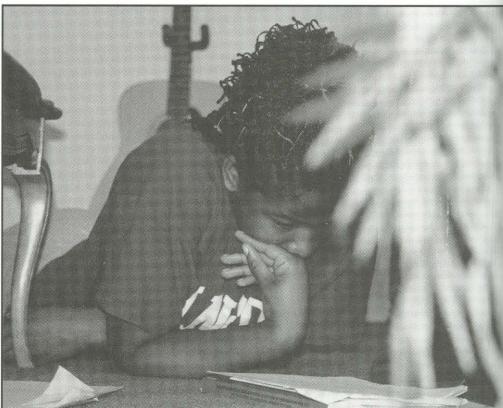

These academics kept students so busy that the second semester flew by and the much anticipated summer break quickly arrived.

Above: Juniors Jeff Holbrook, Emily Riehl, Stephen Brokaw and Ashley Lackovich gather in the lounge after the National Honor Society Induction.

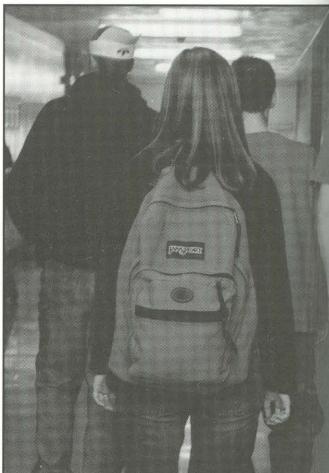

Above: Craig Rohren, John Wey and Jordan Carpenter gather in the junior hall between classes.

Right: Backpacks in tow, Matt Allen, Erin Wiese and Erik Eddington stride down the senior hall in search of their next class.

U-High Faculty / Staff

Out with the old, in with the new. That seems to be the theme of the University High's faculty this year. A variety of positions were filled, ranging from attendance secretary Linda Witte, who took over for Linda Staley, to new Consumer Economics teacher Jermaine Ware, Margaret Tatum's replacement.

Some other new faces at U-High include Brian Conant, who replaced John Kline in the English Department, and Shyla Anderson and Jim Allen, both FIRST English teachers. Track coach Jerry Parsons also joined the FIRST staff upon the leave of absence taken by Cindy Pulley.

One of the most well known faces roaming the hallways of U-High is Principal Gary O'Malley. Unlike our principals of the past, he is sticking around for his third full year. O'Malley can always be found in the hallways or lounge, talking to students and doing his best to make U-High a better place.

Journalism

The J-Lab had a new look this year, and with it came first-year advisor Brian Conant, a new hire for the English department. Room 246, which in previous years was the sole domain of the journalism class, became an English room to make way for the Smart Classroom across the hall. This transition period was even more challenging because only two returning seniors had previous experience in journalism.

Conant stressed journalism basics, and the production journalism class, normally in charge of producing a monthly newspaper and the yearbook, reverted to a very classroom-like setting. "It was different this year," said *Clarionette* newspaper editor Justin Kelley. "A lot more teaching in class, more writing outside."

The class took field trips to University of Illinois for the Illinois High School Press Association presentation and to a Walsworth yearbook workshop early in the year.

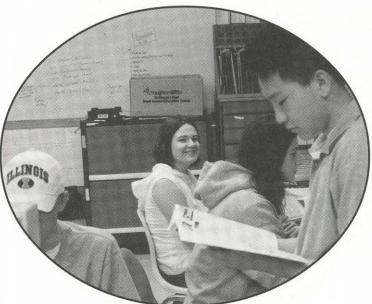

Math teacher Jerry Christensen stepped in to take over the *Clarion* yearbook, which became an after-school activity. "Mr. C. was great," enthused student life editor Kate Heineman. "He kept us going."

"Band doesn't get much better than this," said junior Neal MacCannell as he descended the stairs into the band room.

"I agree," junior Matt Shaw concurred as he assembled his trombone.

It was a good year for the U-High band, whether they were marching at the half-time show of a football game or rehearsing for a concert during class.

Junior Joe Ochiltree had only words of praise for his fellow bandmates. "This is a talented group, willing and able to take on a challenge," he said

The band, led by Amy Johnson, participated in marching contests, half-time shows, parades, and concerts this year. In addition to all these, the musicians took time out from their busy summer schedule to participate in a week-long band camp in August.

orchestra

As temporary orchestra director Margot Ehrlich slid into her new full-time position, members of orchestra found themselves steadily improving.

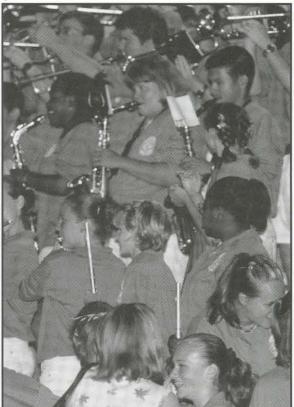

"I was only in Orchestra for one semester," said junior Julie Fisher. "But we got a lot better in that short time period."

The small group, top-heavy with talented underclassmen and a few more experienced musicians met every day at 2:00, in a class that counted for one fine arts credit.

The group performed with band and chorus at the December, February and May concerts. The combination of these three remarkable groups made for exciting evenings and truly represented the diverse abilities of U-High's student body.

Naturally, orchestra is looking forward to even more improvement next school year.

Below: The Pep Band plays at a football game.

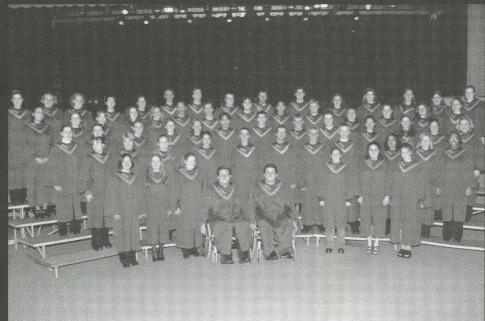

Chorus

Under the continued direction of Chris Corpus, the U-High Choruses enjoyed an exciting year.

The talented vocalists performed on three occasions at U-High, and each concert presented its own challenging repertoire. As usual, it was nothing the singers could not handle. "The talent in the Chorus program grows each year," marveled senior Chorus member Colleen Kinsella. "I am sorry to leave it at such a wonderful time!"

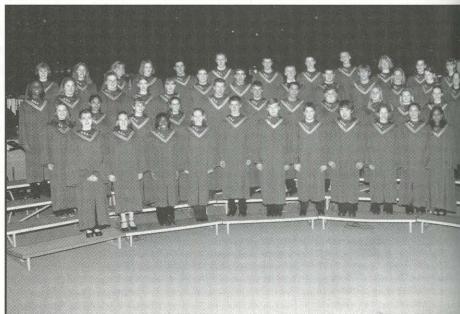

Extracurricular musical groups such as the Jazz Choirs and Madrigal and Court Singers also had a wonderful time rehearsing and perfecting their pieces, and their hard work paid off. As the students trekked to a Boston vocal festival, both Concert Choir and Madrigals received a Superior Rating on their performance. Mixed Chorus received an Excellent Rating.

Madrigals

With twenty-five songs to perfect and pages of script to memorize, the U-High Madrigal Singers truly had their work cut out for them this year. The a cappella group was chosen in May of the previous school year, and they served as entertainment at a variety of events and school functions, the high point being the annual November Madrigal Dinners.

The script, entitled "That's Amore!" was an original piece written by senior Madrigal member Colleen Kinsella and senior Tessa Somers. It followed two Italian families as they came together to "celebrate" the arranged marriage of their children.

The nights were filled with laughter and feasting as audiences were treated to a variety of classic Christmas songs and old-fashioned a cappella arrangements.

In a departure from tradition, the Radisson Hotel—not Jumer's—was the site of the gala event. But just as in other years, the dinners served as a culmination of much hard work by the Court Singers, the Madrigal instrumentalists, and, of course, their respective directors.

The Thespians

The Thespians had another smashing year, putting on a fall play, several winter one acts, and a spring musical. This year's fall play was *The Imaginary Invalid* by Moliere and starred Andrew Hesse, Lindsey Kaupp, and Liz Holt. The winter one acts consisted of *Rosencrantz and Gildenstein are Dead*, *Electra*, and *Glass Menagerie*, and showcased a wide variety of U-High theatrical talent. The Drama Department concluded their year with the Spring musical *42nd Street*. Despite the problems with flooding and asbestos in Stroud, the musical starring Angie Basolo, Liz Holt, Zach Ploense, and Andrew Hesse, was a success. Between all of their productions, the Thespians still found time to attend the Illinois High School Theatre Fest and take a trip to Chicago to see theatre there.

U-High's "Performing Pioneers" once again made the theatre come alive for the students at U-High. Talent abounded during each one of their performances and with their hard work and dedication made these performances a delight.

Orchesis

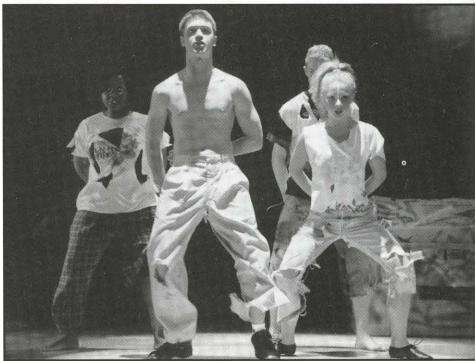

Orchesis Intercity Dance company successfully completed its sixteenth season. Students from U-High, Normal Community, Normal West, Bloomington, and Central Catholic are eligible to participate in this class. Although some take it thinking it will be an easy PE credit, this class meets every morning in McCormick Hall at 6:45. The teacher and Artistic Director, Laurie Merriman, expects nothing but the best from all her dancers. The students are also asked to give up some of their free time on weekends to rehearse pieces for the company's two annual concerts—one in the fall and another in the spring.

Every year, Laurie Merriman assigns a theme for each of the concerts. She believes the themes will inspire her dancers to try new movement and to express their creativity. She also tries to give the dancers a theme to choreograph to. For this year's fall concert, students were asked to choreograph movement through the eyes of another being. For the spring concert, each small group was asked to choose a prop and incorporate it into their dance. Orchesis students, like Sara Kelley, enjoy orchesis because it allows students to express themselves in a different way than other classes.

WYSE (Worldwide Youth Science and Engineering) continued their impressive academic feats this year, placing second in state competition and bringing another well-deserved trophy back to U-High.

Tests were administered in seven different subjects--Math, Biology, Chemistry, Physics, Engineering Graphics, Computer Programming and English.

U-High students placed well in all areas, with seniors Kahla Dean, Ryan Rappa and John Shea turning in especially impressive performances throughout the season.

As a team, U-High sailed through the Bradley Regionals and ISU Sectionals, placing first at both. They then traveled to University of Illinois for the State Tournament, where they became state runners-up. Though individual scores were exceptional, "the group is what mattered," said senior WYSE member Ken Temi.

The Scholastic Bowl team flourished under the strong leadership of Co-Captains Annie Creswell and Emily Riehl during the 2001 season.

The always powerful "Bowlers" put on an impressive show this year, finishing with a 51-18 record and a sectional runner-up title. The team that they lost to--Warrensburg-Latham--went on to become the eventual State Champs.

"Scholastic Bowl is a lot of fun. People don't appreciate how exciting tournaments can be," said junior Stephen Brokaw.

On the road to the sectionals, the team garnered recognition for their win at the St. Bede Invitational, their second place finish at the Peoria River Classic, and their first place performance at the first-ever All Women's Tournament, hosted by Central Catholic and Bloomington High School.

The Most Valuable Player awards were presented to Creswell and Riehl.

The chess team had another superb season this year. At this year's state tournament, U-High moved up from its 5th place rank to 2nd place in the Final Four Tie-Breaker matches.

Unfortunately, the team ended up losing to its arch rival, Evanston High School. As a result of their awesome performance, however, U-High captured fourth place overall in the state.

Impressively enough, U-High chess club members received more individual awards for excellence than any other school. Greg Weber, Patrick Peregroy, Adam Chambers, Jon and Scott Achelpohl, Joe Ochiltree, Dan Willis, and Paul Fritsch all participated in the Pioneer's great state performance.

Math Team

Math Team had another great performance this year, sending several individuals and teams to state.

Teams qualifying for state included Algebra II, Frosh/Soph Eight Person, Calculating and the Junior/Senior Two Person Team. Individual State Qualifiers included Peter Lamonica in Geometry, Ryan Rappa in Pre-Calculus, Emily Riehl in Algebra II, and Emily Riehl and Stephen Brokaw in the Oral Presentation.

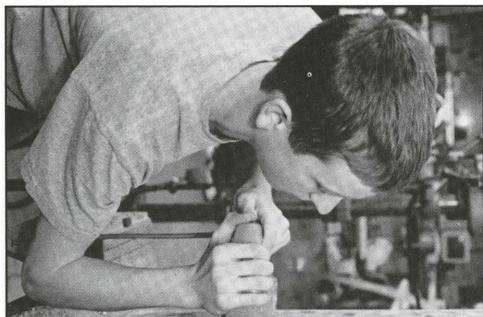

The Math Team took second place at the regional competition, which was held at Illinois Central College, and earned first place at the Mahomet-Seymour Tournament, an honor that they have captured for several years running.

The Technology Student Association completed another successful year. Under the careful guidance of sponsor Brad Dearing and club president Tom Watson, the TSA was able to expand students' appreciation for the technical world around them, as well as have some good times.

In just its second year, TSA racked up numerous awards including sending a Rube Goldberg to the U of I open house and winning every event in the intercity solar car competition. The club also built hovercrafts and networked the tech labs twenty computers. The group achieved a lot this year and made some fond memories while doing it. Hopefully, the club can look forward to many more years of fun and challenging technological projects.

This year, U-High saw the birth of a much-needed Film Club. Senior Filipe Bessa started the club, which screens foreign, independent and classic films, when he realized very few students come in contact with movies outside of the Hollywood-blockbuster strain.

"A lot of students don't even think of a film as an art form, simply because they have no access to quality films," said Bessa. The goal of the club is to introduce students to a diverse selection of films, present information and history on the film, then discuss their reactions. The films are selected by club sponsor Bob Neulieb, Bessa, and a committee of five other students.

"We hope Film Club will continue in years to come by attracting as many students as possible," said Bessa.

The Fellowship of Christian Athletes was started this year hopes of bringing together Christian athletes to encourage their performances both on and off the field to reflect God and his message to them. This year, like all other years, FCA has been focused on presenting athletes with the challenge and adventure of receiving Jesus Christ as Lord and serving him in their relationships with others.

The group, led this year by Kahla Dean, Drew Moses, Brady Wrezinski and Amy Huette, met every other Sunday at Amy Huette's house with a few regular attendees.

"FCA really wanted to achieve our goals and have a positive influence on not only other athletes but on our peers, coaches, and teachers," said Huette.

Crosswalk

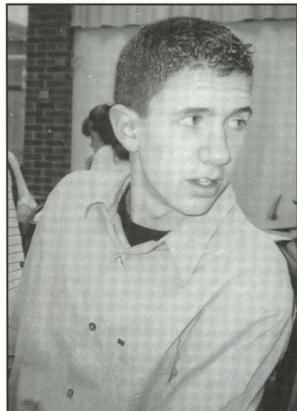

When Crosswalk began last year in the Spring of 2000, it was held on Thursday afternoons and had between four to seven attendees. This year, the biweekly Bible Study came under the direction of new leaders Ann Taulbee and Nate Michael, and with the change came a new meeting time as well: 6:30 in the morning.

Surprisingly, at the first meeting, there were more than twenty people. "It was awesome to see so many people come out, especially since it was so early in the morning," said Taulbee.

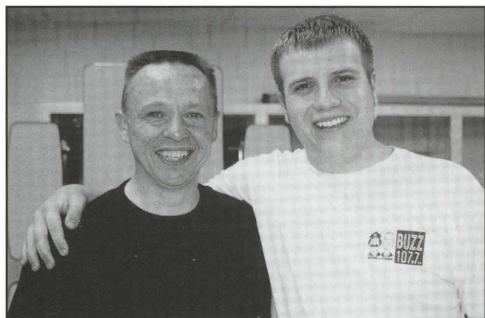

The morning Bible Study continued throughout the year, always with quite a few attendees. Taulbee hopes to see continued interest next year.

Connections peer tutoring continued to grow and expand its number of tutors this year.

The tutors are a "valuable resource for The Learning Center," said Dixie Lewis, director of U-High's Learning Center and sponsor of the club. She was also pleased with the number of students who are taking advantage of such a service: the constant demand for student-assistance means that peer tutoring is available in almost every subject at various times throughout the day.

Tutors have been used for both the short-term and long-term, and have proven themselves one of the Counseling Center's greatest assets.

"It's a great way for students to reach out and help one another," enthused senior Jasmine Hunt.

Horizons, a new club formed this year by Erin Cunningham and Annie Gleason, was started as student run organization to allow students to expand their horizons through extra-curricular activities. The group took several trips this year to Shedd Aquarium, the Art Institute, and a few concerts.

Sponsor Mr. Kinsella said, "The girls approached me with the idea for this club so students could have the opportunity to do things that would expand their horizons." The activities were ones that are not normally part of day to day school activities but that Cunningham and Gleason wanted to themselves and their fellow classmate's to experience. Horizons had a large turnout for many of their trips and hopes to continue with those kinds of numbers for next year.

U-High's Speech Team had a successful season with its new coach, FIRST English teacher Jim Allen.

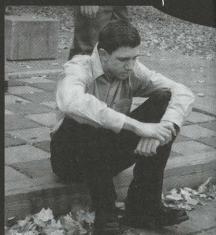

The team competed at six meets during the regular season, tying with Central Catholic for First Place-Small School at the Heyworth Meet.

Members competed in humorous, serious, and dramatic events, ranging from Humorous Interpretation to Dramatic Duet Acting.

Each individual team member advanced to finals from the regional competition, and the team as a whole took fifth place. David Foster, Ashley Lackovich, Jessica Rubenacker, and Ali Wells competed at Sectionals, and Foster advanced to State in Prose Reading.

Debate

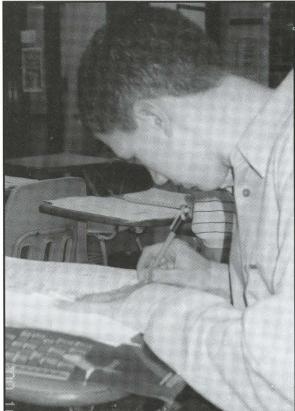

The debate team had another great year.

The debators put a lot of hard work into preparation for tournaments, and for the first time in many years U-High hosted a debate tournament in the building. All of the team members, along with longtime coach Bob Neulieb, worked feverishly to put the tournament together. Their efforts were richly rewarded, as it was a great success.

The team unfortunately lost two extremely valuable senior members--Stephanie Reynolds and Kurt Conner--to early graduation, but many of the junior members received their NFL (National Forensics League) recognition.

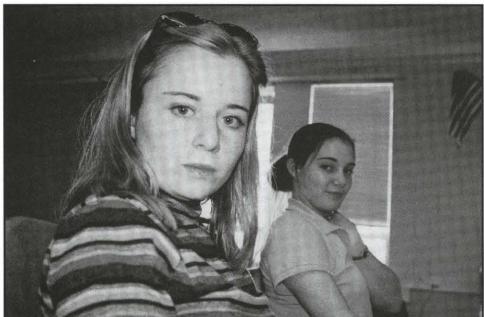

The junior majority on the team bodes well for next year, as the debators approach the season with experience and confidence.

Brome and Beyond, U-High's literary magazine, displays some of the school's best literary and artistic talent. Throughout the year, *Brome and Beyond* collects works from a wide range of students ranging from freshmen to seniors.

All students are encouraged to submit either a piece of writing or art work (see sample art work at right). Selections are then made by the *Brome and Beyond* staff. Serving as the chief editor, Tessa Somers spent countless hours alongside Savannah Duke and sponsor Mrs. Clesson to make sure the magazine would be a success. Their hard work paid off as this year's publication was a smashing success and a credit to U-High student's artistic and literary talents. With the talent that exists at U-High, *Brome and Beyond* will continue to be a success.

This year's Creative Writing Club engaged in a variety of activities and programs. During the year, club members not only shared pieces of their own writing with each other, but also heard several guest speakers such as John Firefly and Coach Ware.

The club used their bi-monthly meetings to talk about different writing styles and techniques. Toward the end of the year, most of the energy of the club was focused on doing editing work for U-High's literary magazine, *Brome and Beyond*. Many of the members of the Creative Writing Club submitted their works to the literary magazine, ensuring that it would include some of U-High's finest pieces of writing. The Creative Writing Club hopes to continue the tradition of writing excellence next year.

Key Club, a national high school service organization dedicated to improvement within the community, has long been a popular activity amongst U-High students.

This year's efforts were focused on the Illinois-Eastern Iowa District Convention, held in late March. U-High's club had the responsibility of designing and making over 300 centerpieces and a banner for this large event. "Although it took a lot of time and effort, the results were amazing," said senior co-president Asha Baru.

Key Clubbers also raked leaves in the fall, volunteered for the Special Olympics, did hospital decorations, and sponsored a variety of fundraising events, including a bake sale, car wash, Heart-to-Heart, and a joint project with Senate: the Blacklight Dance, which raised money for Spastics Paralysis.

CAPTAINS

CAPTAINS had a great year. Their Saturday night meetings at the College Avenue Godfather's successfully kept the group on task, organizing various events.

CAPTAINS supported honor roll members by putting posters on their lockers. They also sold weeples during red ribbon week. The most successful event, however, was one that CAPTAINS co-sponsored with Fellowship of Christian Athletes.

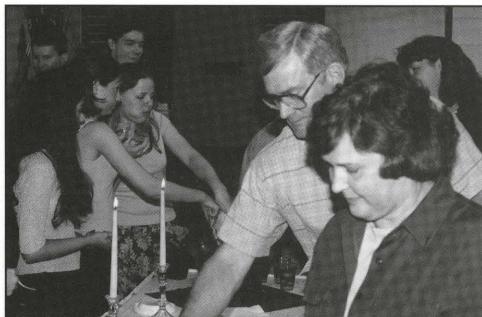

In March, the two groups joined together to put on an all-school assembly with teen motivational speaker Steve Fitzhugh. He spoke against the pressures peers can impose in high school situations. His personal experiences provided humorous illustrations to deter students from partaking in negative situations. Students definitely responded positively to this CAPTAINS event!

Mu Alpha Theta is a National High School and Junior College mathematics honorary society sponsored by FIRST Math teacher Mrs. Barbara Bills.

This year, the group inducted 44 new seniors and 43 juniors in April. Qualifications for Mu Alpha Theta include an overall GPA of 3.0 or above, a 3.5 math average and enrollment in a course doing Algebra II/Trig level work or higher.

Inductees receive a special seal on their diploma in honor of this achievement. They also stand during the end of the year awards assembly in order to allow their peers to recognize their accomplishments in the field of mathematics.

Senior Mu member Katie Heineman said, "Being in Mu is a great honor. It is a nice way to recognize students' math talents."

Theta/NHS

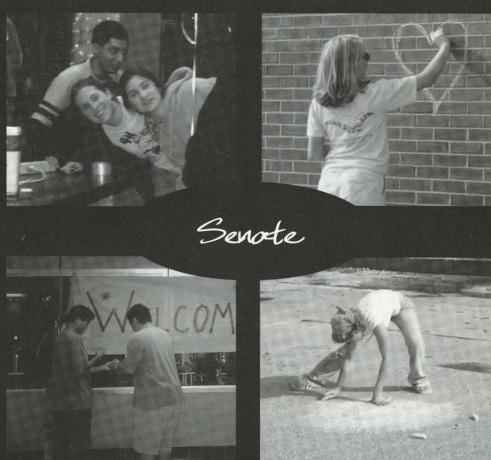

National Honor Society, an honorary club for those who excel in character, service, leadership, and scholarship, experienced a loss this year when former sponsor Mrs. Cindy Pulley left to pursue her Masters Degree. Her position, however, was not vacant for long, as new FIRST English teacher Mrs. Shyla Anderson quickly stepped in.

Meghan Reynard and Becky Skaggs were elected as NHS Co-Presidents for 2000-2001, and the group scheduled regular meeting times for the third Thursday of every month. Their activities included caroling at Heritage Manor and making Valentines for the nursing home residents.

The Induction Ceremony took place Monday, April 30th, as the group welcomed new members, recognizing them for their outstanding contributions to the school.

Below: National Honor Society Historian Colleen Kinsella speaks at the induction ceremony. Colleen's work as historian helped with the transition of sponsors.

U-High Student Senate had another year jam-packed with activities. New projects included the very successful Winter Ball, which helped raise money for Adopt-a Family, and preparing dinner at Safe Harbor. Other Senate activities included the Silent Auction for St. Jude, fall and spring blood drives, and bringing back the ever-popular Pioneer Palooza.

As always, Senate sponsored multiple dances throughout the year. The proceeds from these events often went to charity or towards "good works" in the community or school.

"It was an enjoyable year for me as sponsor," said Mike Sondgeroth. "I was provided the opportunity to work with some wonderful students who knew what it meant to truly be a Pioneer."

Looking Back on... SPORTS

Right: The Girls Volleyball team raise their hands together after their State Championship.

This year was another great year in sports for U-High as the Pioneers brought home one state championship, one second-place state finish, two third-place state finishes, and two fourth-place state finishes. They also garnered six intercity titles, seven regional championships and five sectional championships.

In the fall, the volleyball team picked up right where they left off the previous year, finishing their season across the street at Redbird Arena when they captured their second straight state title. The boys golf team also performed well in state tournament play, where they came in second, and the girls golf team swung into fourth place.

As the snow began to fly, the girls basketball team made huge improvements, ending their season with a well-deserved fourth place state finish.

Various teams, including girls and boys cross country, girls and boys swimming, wrestling, and girls and boys track, qualified individuals for state. Most notably, junior Josh Phillips wrestled his way to third in state.

Spring brought more success for the suddenly powerful girls soccer team, the always dominant baseball boys and the youthful softball players.

As always, the U-High athletic program was impressive.

FOOTBALL

After 1999's disappointing 2-7 record, the U-High football team turned things around, finishing an injury ridden season with a 4-5 record.

Quarterback Mike Pohlmann, runningback Willie Feagin and wide receiver Drew Watson, all juniors, led the Pioneers' strong offensive game. Adding to the offense was an experienced offensive line consisting of seniors Brad Schweitzer, Ryan Scritchlow and Ben Augspurger.

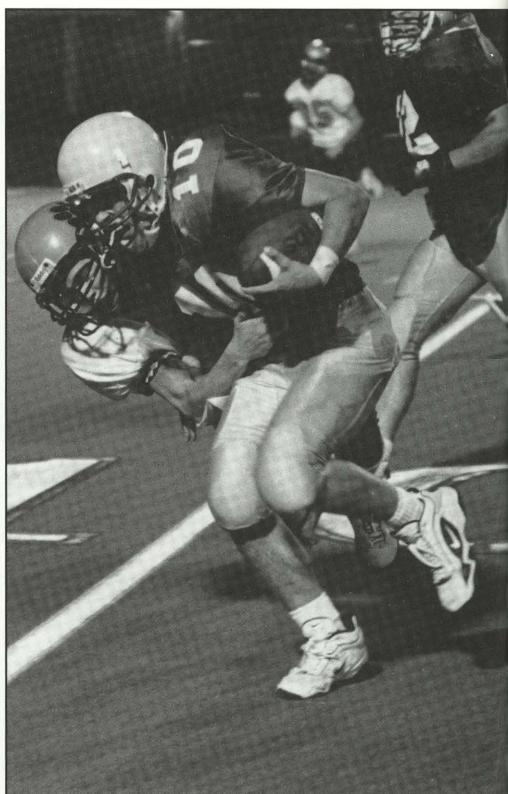

An excellent defense led by senior linebacker Brad Schweitzer and senior defensive lineman B.J. Farmer and Calvin Kaisner rounded-out the Pioneers' balanced attack.

They were also hit hard by injuries throughout the season. The most serious injury was sustained by Scritchlow, who suffered a broken leg during the Homecoming game, and Schweitzer, who missed games due to an injury from a P.E. class.

VOLLEYBALL

After a wonderful season last year, in which U-High's volleyball team won the State Championship, the girls came back to win it all again. "It was a great time, and the best way to end a high school career," said senior Paige White. Many of the players felt the same way, as seven seniors prepared to move on next year.

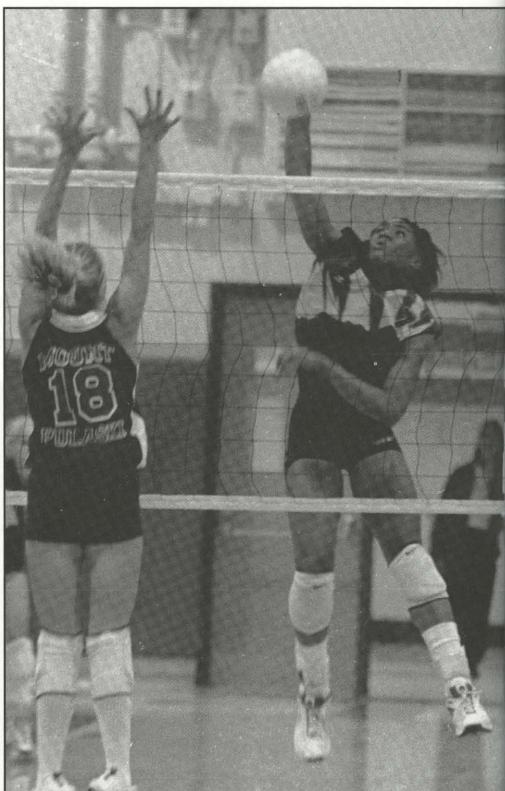

This year's team was not only an incredibly talented group of girls; they were also a very close family. "Everyone on the team loves one another, I couldn't imagine a better group of friends to share this experience with," said senior Jasmine Hampton. This family had to come together to win this year's state championship. "It came down to the two predicted teams in the state. No team dominated the other; it was an all out fight to the finish," said head coach Char Lehman. "And I didn't see the same team I saw last year, I saw a more confident and excited team with no fear."

This volleyball season will definitely be one to remember, with all the great fan support, incredible play, and the outstanding end result.

BOYS SOCCER

Each year at the beginning of the season, the boys soccer team makes a list of goal and expectations. This year's goals were to lose no more than four games, capture the Intercity Title, and, as always, go to State. Unfortunately, one of these was not to be.

U-High tied West in a shaky first game of the season. They then went on to beat Normal Community and Bloomington to clinch the Intercity Title after Normal beat West.

The experience of 12 upperclassmen blended well with the talent of ten underclassmen and proved to be a good combination. "This was one of the most balanced teams that I have ever coached at U-High," Coach Bodo Fritzen said.

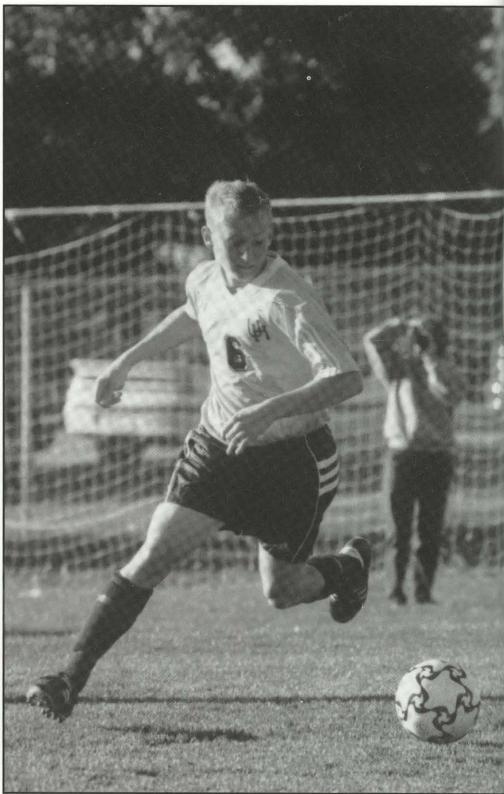

Two distinguished players were Senior Captain Ryan Singer, who was named to the All-State team, and Junior Adam Hage, U-High's leading scorer and an All-Sectional pick.

In almost a repeat of last year's performance, the Pioneers would fall short of State by one game. Trailing Charleston by one throughout the first half, U-High tied it up with 8:13 remaining and lost the shootout 2-1, finishing a respectable 17-3-3.

BOYS CROSS COUNTRY

This year's cross country team had a very successful year, led by the experience of junior MVP Ben Witte. They placed ninth in the state tournament and also brought home the Cornbelt, Regional, and Sectional titles.

The team was relatively young, its top seven runners consisting of two juniors, one sophomore, three freshmen, and lone senior Chris Johnson.

Coaches Parsons and Hampton definitely enjoyed their time with these enthusiastic young men.

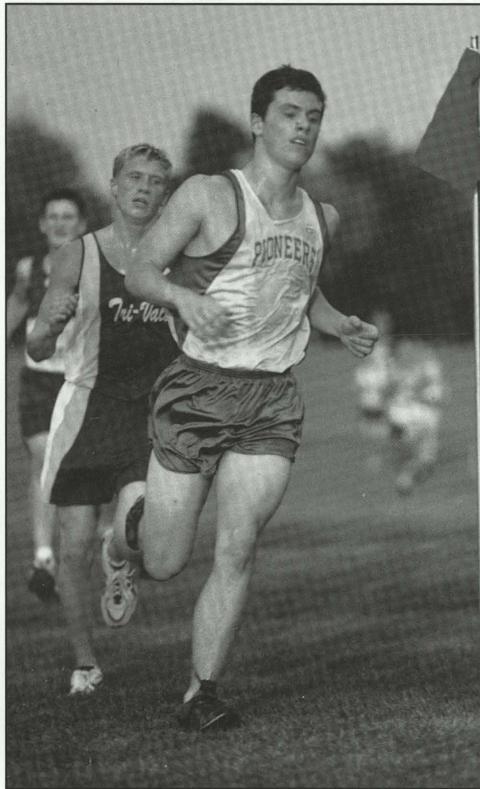

"This was an extremely fun group," said Parsons. "During practice, there is no distinction between varsity and JV, and each runner worked very hard and had a good time."

When asked what can be expected for next year's team, Parsons replied: "We always plan to improve."

GIRLS CROSS COUNTRY

The 2000 season was nothing if not successful, as the girls cross country runners fought off their competitors and made their way to state as a team for the second consecutive year. Coach Hampton, along with Assistant Coaches Parsons, Donovan and Powell, helped this talented group of girls pull together, strengthening "family" bonds.

Discipline was key, as the girls ran several miles a day and had workouts in the weight room. Junior Emily Riehl was the team's top runner, with senior Lindsey Campos close on her heels. Both were named All-State runners, placing in the top 25 as individual finishers. Campos made her fourth and final appearance at State this year. "I couldn't have done it this well without Emily," she said. "She really has pushed me throughout the year."

Overall, the team came in ninth at State. "It's a lot of work, but it's fun and worth it," said junior Maggie Ummel.

BOYS GOLF

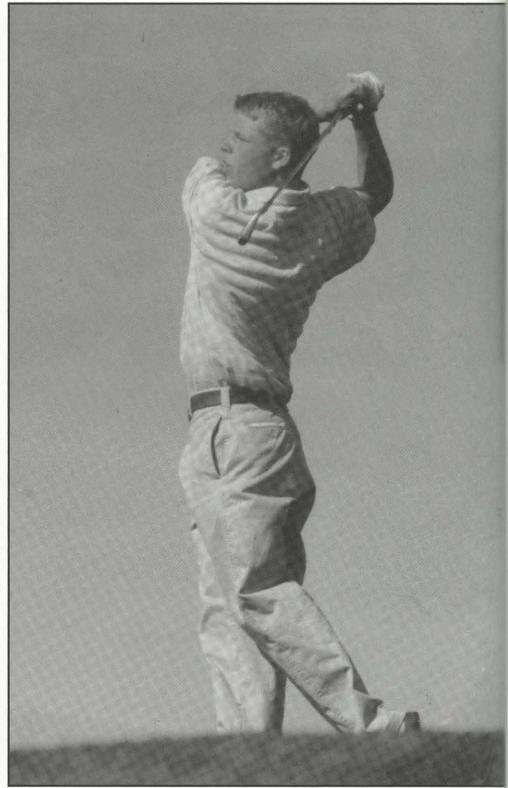

The boys golf team enjoyed much success this season. They went all the way to State, where the team finished in the runner-up spot. This was from a team that includes only one senior, four juniors, and one sophomore. Jordan Carpenter, a junior, finished the highest at state, placing fourth overall. Other upperclassmen pulling through for U-High were senior J.T. Thomas, and juniors Tanner Morris, Dustin Wickenhauser, and Neal Naik. All members, excluding Thomas, will return next year to try and bring back a State Championship. The lone underclassman, Brad Molitor, also came up big. He consistently shot well and gave the team a strong sixth player to complete their team.

With a second place finish this year, and five of six returning golfers, next year is looking up for U-High's boys golf.

GIRLS GOLF

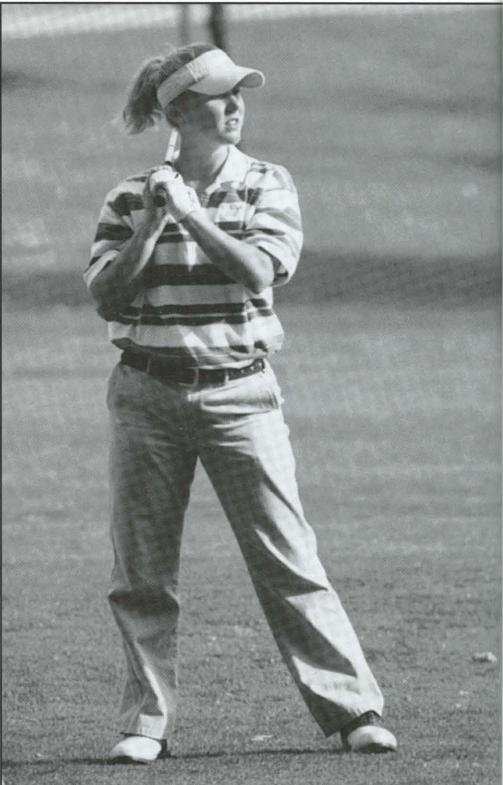

What are some important skills if one wants to be a good golfer? Concentration, expertise, and dedication are the elements that helped the girls golf team swing into a successful season.

After placing first in the Livingston County Tournament and winning Intercity and the Cornbelt Conference for the fourth time in a row, the girls set their sights on the Regional Title. This was quickly captured, and the team moved on to State. This success was the result of hard work in practices and the excellent finishes of senior pros Cally Eckols and Lyndsey Milligan.

"I am very proud of the girls in how they handled the pressure of competing. By not having a home golf course to practice at, it made it a little more tough," said Girls Golf Coach Cal Hubbard.

They placed fourth overall in State, with Eckols placing third individually. "Going into a big tournament like state, I told the girls to hit one shot at a time, don't let one shot affect your whole game. Just do your best," said Coach Hubbard.

"It's my last year of golf and I had some memorable experiences that I will never forget," said senior Lyndsey Milligan.

GIRLS TENNIS

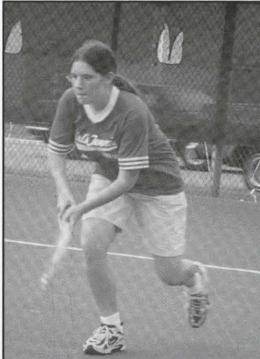

The tennis team experienced its share of ups and downs this year. Seniors Annie Ginzkey and Maggie Lenart played their last match here at U-High as freshmen Jenny Wang and Kelly Milligan joined the team. "Tennis was fun. Everyone was really nice," said Milligan about her teammates.

Not only did the girls work hard throughout the season, but they "had a lot of fun this year," said head coach Bob Runyan. They worked well together, which was evident to all those who watched them. "I liked hanging out with the team," said sophomore Brittany Demont.

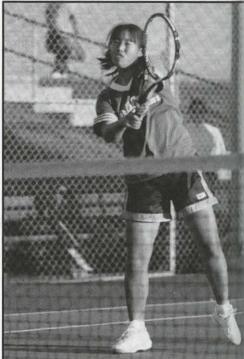

Whether the girls continue with tennis careers or not, they will always have this year to remember and will be looking forward to looking back.

GIRLS SWIMMING

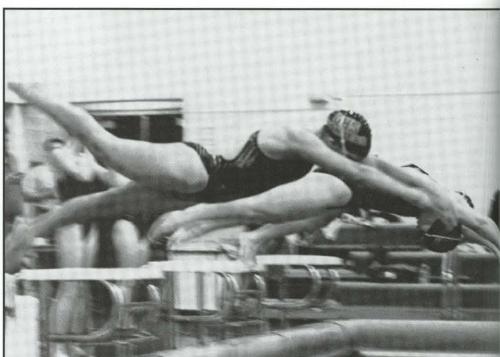

The 2000 season was filled with changes for the U-High girls swim team. The first change came with the girls third new head coach in three years, Ryan Burroughs. "Having another new coach this season was hard at first. No one knew what to expect, but I think we all adjusted really well," said the team's lone senior, Chelsea Yontz. Another difficult adjustment for the team was the loss of last year's MVP, Kelsey Kinsella. Kinsella battled a shoulder injury throughout the beginning of the season. A final change occurred when the team was moved into the Peoria Sectional. Despite all these adjustments, the team was able to clinch their sixth consecutive Intercity title.

The girls ended their season with a second place finish at Sectionals. Lindsey McReynolds and the relay team consisting of McReynolds, Kinsella, Carol Hermes, and Samantha Clemons qualified for State.

BOYS SWIMMING

The 2001 boys swim team had a very productive season. After swimming two practices a day during their Christmas break, the team was ready to tackle the remainder of their season and the State Swim Meet.

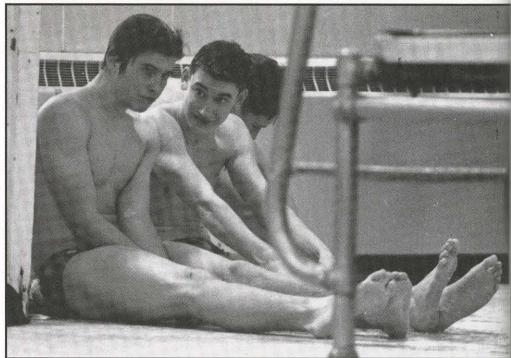

This year's young team stepped up to the challenges the competition presented, losing only one dual meet to downstate powerhouse Champaign Central.

The team qualified one relay and three individuals in four events for the State Meet. The 200 medley relay, consisting of Tom Sur, Brian Sinn, Nathaniel Toca and Tom Watson, finished in thirty-eighth place. Watson also qualified in the 100- and 200-yard freestyle events. Sur and Toca qualified in the 100 yard breaststroke. Sur went on the finish ninth in his event.

BOYS BASKETBALL

This year's boys basketball team showed a great deal of heart as they joined together for a outstanding season. "Coming off a disappointing season last year, I was happy to see our team back at the championship level," said Coach Cal Hubbard. The team looked to its six seniors for leadership and found it as Jordan Martens, Adam Strum, and Dan Hubbard stepped up big for the team.

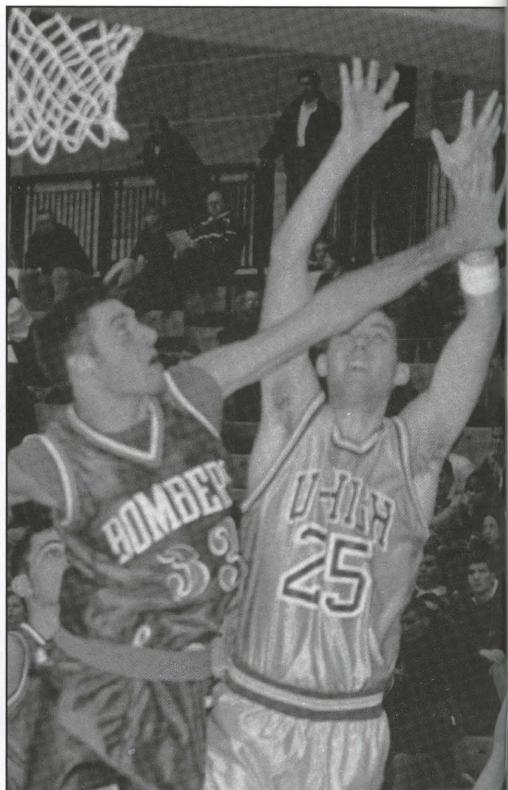

"It was a good season. We were successful, but not as successful as we would have liked to been. It was a great group of guys and I had a lot of fun," said Dan Hubbard. Losing in the sectional was very emotional for the entire team, especially the seniors.

Next year Coach Hubbard will be looking for new people to step up and fill the shoes of those who are graduating. Juniors John Halm, Drew Watson, Nate Michael, and Dustin Wickenhauser are going to be returning seniors and will surely propel next year's team to another excellent season. "I will definitely miss the guys moving on, but I think the program is left with a tremendous amount of talent to work with," said Coach Hubbard.

GIRLS BASKETBALL

The Lady Pioneers started the 2000-2001 season off strong and continued to build upon that momentum. A sense of unity and team togetherness was essential for the girls' success. "The seniors brought us all together, then our individual talents just came together and that's how we got so far," said sophomore Emily Meier. The team's victories included a share of the Intercity Championship, first place in Cornbelt Conference, a Regional, Sectional and Super-Sectional Championship and a fourth place State finish. Their final record was 26-7.

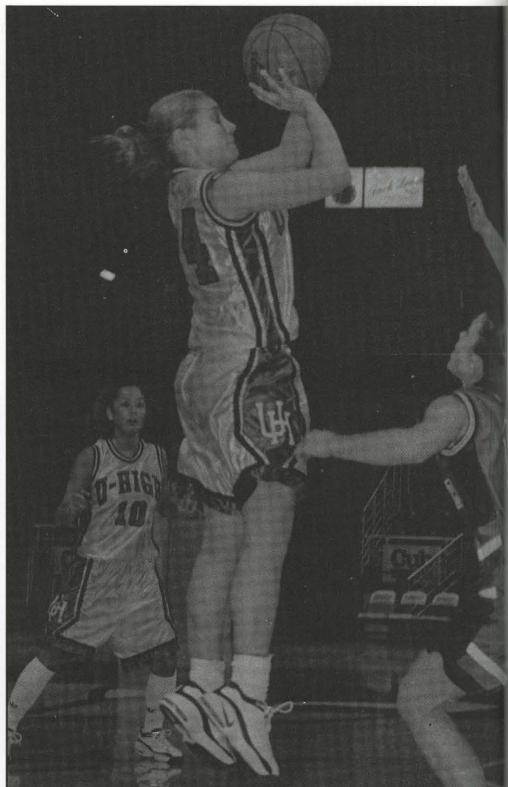

The girls had a good time, as well. "Everyone on the team contributed to the success of the team, which always made it fun," said Coach Morris. The team had its rituals, which included freshman Ashlee Pistorius's rendition of the Outkast hit "Sorry Miss Jackson" and team breakfasts before the State games.

Although next year's team will miss the talents of seniors Shelley Farnsworth, Jasmine Hunt and Hannah Mikals, "This group has set a high standard for future teams and won't be forgotten for the relationships and accomplishments," said Morris.

WRESTLING

The boys wrestling team had a good season. "We went from a two-win season last year to a six-win season this year," said Sean Carpenter, a junior member of the team. The team saw many successes, including junior Josh Phillips placing third in state.

The wrestling team also experienced changes in coaching and in the program. "The coaches are doing a great job of turning the program around," said Carpenter. All together, the season concluded with many ups and downs, but in the end their successes were what showed.

"It was a good season. A lot of the guys tried hard, and we had great improvement this year, and we are all looking forward to improvement for next year."

CHEERLEADING

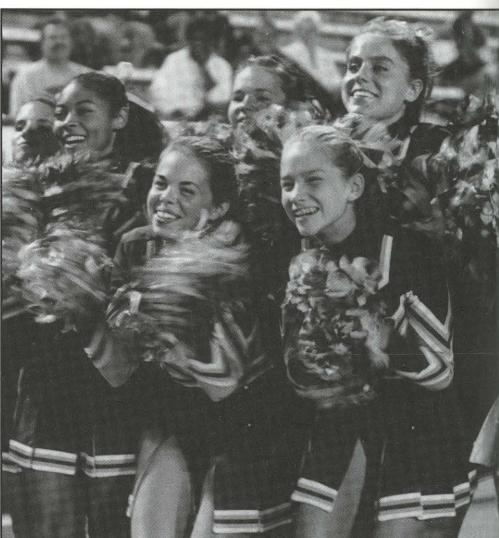

The cheerleaders were back this year on the sidelines looking better than ever. The girls pulled together to support U-High's football and basketball teams. They pumped up the crowd and showed school spirit galore.

The team was always hard at work; they spent many late nights making "Good Luck" signs for U-High's teams. Countless hours during the summer and school year were dedicated to practicing. The squad also put together the Homecoming pep assembly to get students excited about the big game. Win or lose, the cheerleaders gave it their all to encourage U-High's teams. With stunting, tumbling, jumping, dancing, smiling, and of course cheering, the cheerleaders helped the football and basketball teams to victory.

BOYS BASEBALL

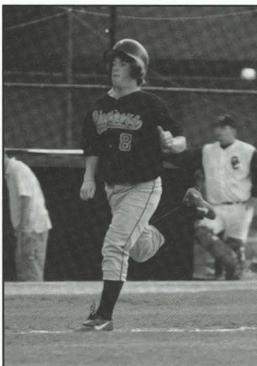

The U-High's boys baseball team had yet another great year under Coach Greg Bee. The team, composed of a strong senior class, represented U-High on the diamond in traditional fashion. Under the strong pitching of seniors Nick Africano and Josh Becker, the Pioneers ended the season with a 24-12 record.

The consistent pitching from Africano and Becker also served as a good example for sophomore Tyler Cox. The highlight of the season was a comeback win over previously undefeated Herscher.

The future of the U-High baseball team looks excellent. This year's team was dominated by juniors and as a result will return many starters. The entire team will continue to work very hard in order to live up to the strong winning tradition of Pioneer baseball.

GIRLS SOFTBALL

The U-High's girls softball team had a strong showing from underclassmen this season. The team worked exceptionally hard under Coach Wendi Smith. Their initial inexperience resulted in the team struggling for victories early in their season, but as time progressed and the team became more confident, their hard work paid off.

One of the season's highlights came when the Pioneers beat crosstown rival Central Catholic. "I was really thrilled when we finally won a game and how we all came together," said senior Megyn Corbitt. After that exciting win, they went on to beat Mahomet-Seymour as well. Rebecca Reeser, U-High's number one pitcher, will be returning for her senior year backed up by relief pitchers Whitney Koch and Kassie Kaisner.

"I'm really looking forward to next season where I hope we'll have better success," said Reeser. And indeed, she has good reason to be excited. Hoping to improve on their 2-21 record, the team ended the season with a healthy attitude and the prospect of future success in softball.

GIRLS SOCCER

The 2001 girls soccer season was all about improvement. With the return of just three seniors and the addition of five freshmen on the varsity team, the girls started off the season a little apprehensive. That apprehension quickly melted away as the team bonded together through tough practice sessions at Jersey Hill.

"We all really got excited and set our goals for this season early on and it ended up being our best one ever," said junior Jamiee Johnston.

After losing their first Intercity game to Normal West the Pioneers went on a seven game winning streak. Much of their success was due to the experience and leadership of MVP goalkeeper Holly Hedges and senior defender Jennie Pinkston. These girls, along with the talented All-State freshman Ashlee Pistorius, led the team to their first-ever regional victory and a record 18-4 season. This young team hopes to continue to build and improve next season.

BOYS TRACK

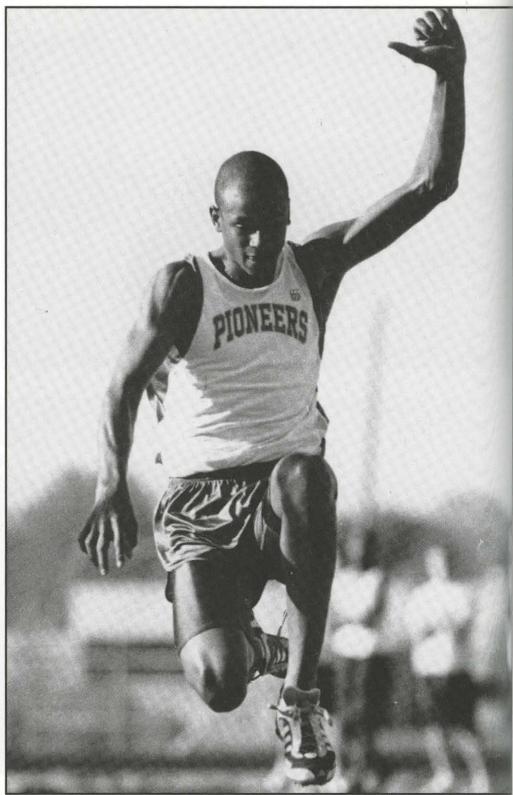

After getting off to a slow start, the boys track team finished the season strong and met their goal of qualifying between six and ten runners for the state track meet when eight team members qualified.

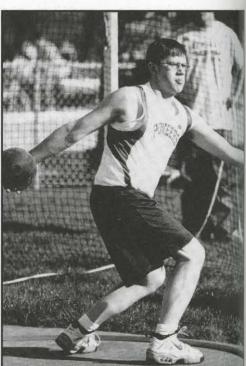

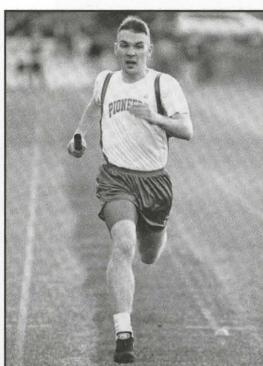

State Qualifiers included seniors Erik Eddington and Chris Johnson, juniors Jacob Shaver and Ben Witte, and sophomores Matt Martin, Alan Turner, and Kyle and Cory Yontz.

Turner, Eddington, and Kyle and Cory Yontz qualified for state in the 4 x 800 meter relay. The Pioneers also qualified their 4 x 800 meter relay which included Johnson, Shaver, Witte and Martin.

As a team, the Pioneers finished fifth at Intercity and placed fourth at Sectionals.

GIRLS TRACK

This year's girls track team was a young one, but they were still very successful. Lead by lone senior Lindsey Campos, the Lady Pioneers track team finished fourth at Regionals and in the Intercity track meet.

Three squad members qualified for the State Track Meet in individual events. Freshman Kate Zimmerman qualified in the two-mile run. Sophomore Mary Risius qualified in both the long jump and the triple jump. Campos qualified for State in the 800 meter run. Campos went on the finish third in the 800.

The Pioneers were also able to qualify the 4 x 800 meter relay. The relay team consisted of Campos, sophomore Lindsey McReynolds, and juniors Maggie Ummel and Ali Wells.

BOYS TENNIS

This year's boys tennis team was led by junior Eric Wilson and seniors Greg Weber and Ken Temiyasathit. Junior Alex Dean was also a key player who continued to improve throughout the season.

The boys were glad to welcome back former ISU student and coach Bob Runyon. "It was great to have Bob back," said Ken Temi. "He made it fun."

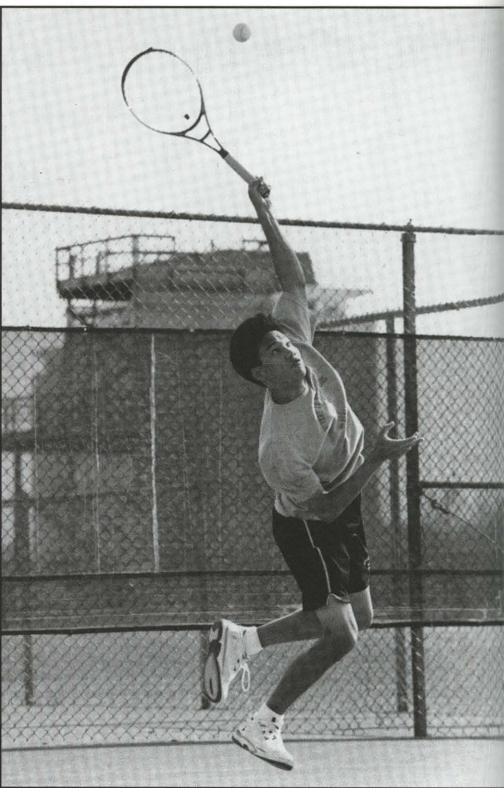

Coach Runyon had only words of praise for his players. "I'm happy with the top four guys," he enthused at the beginning of the season.

Along with the leading members of the team came a lot of newcomers. Many had not played competitive tennis before this year, but everyone was willing to work hard. Such dedication paid off when Temi and Weber were seeded sixth in Sectional Doubles.

PEOPLE TOLD US IT WOULD HAPPEN; ONE DAY, WE WOULD WAKE UP AND BE AT THE END OF OUR HIGH SCHOOL CAREER.

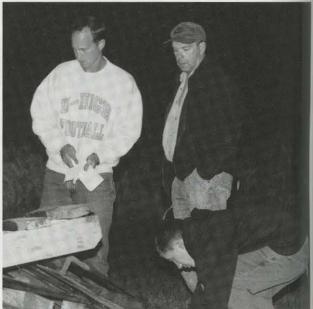

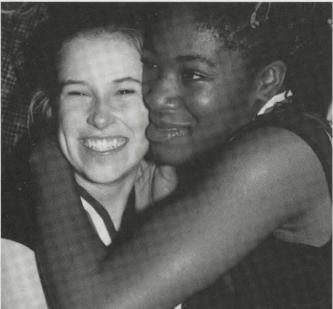

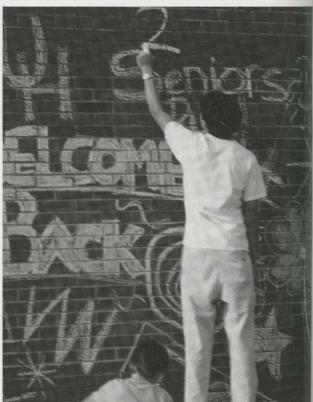

WE DIDN'T BELIEVE IT, OF COURSE, BECAUSE NOBODY DOES. AND HOW CAN WE? THERE ARE HOURS THAT SEEM TO STRETCH ON FOREVER AND DAYS THAT NEVER END. FOUR YEARS IS AN ETERNITY WHEN YOU'VE BEEN AROUND FOR LESS THAN TWO DECADES.

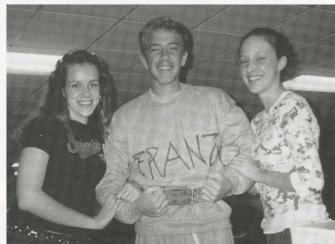

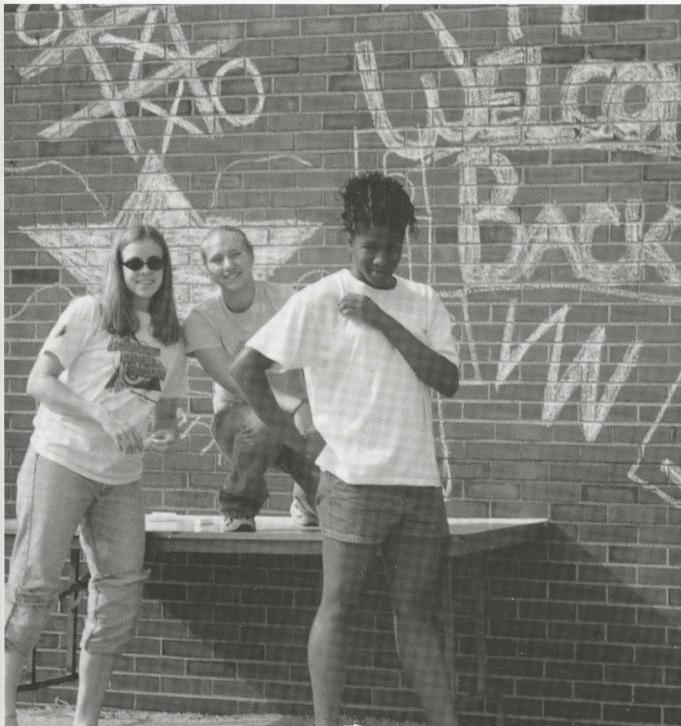

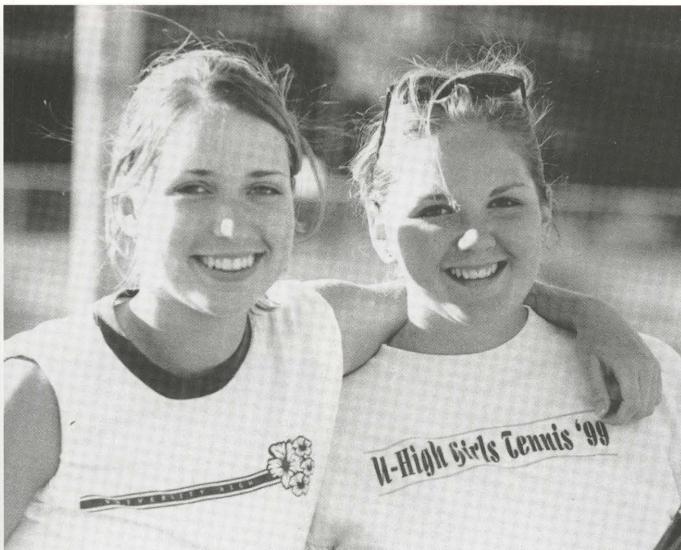

BUT THE STRESS-FILLED NIGHTS OF FINISHING FIRST PROJECTS ARE OVER; DRIVER'S EDUCATION TECHNIQUES HAVE BEEN COMPLETELY FORGOTTEN, WE ARE SORRY TO SAY; AND WE DON'T MISS THE LONG (ALBEIT DOWNHILL) TREK FROM THE JUNIOR LOT ON FREEZING COLD WINTER MORNINGS. SENIOR YEAR BROUGHT WITH IT A UNIQUE SET OF CHALLENGES, NOT THE LEAST OF WHICH WAS COMBATTING THE VERY REAL DISEASE OF SENIORITIS.

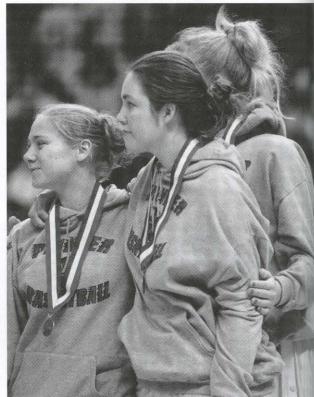

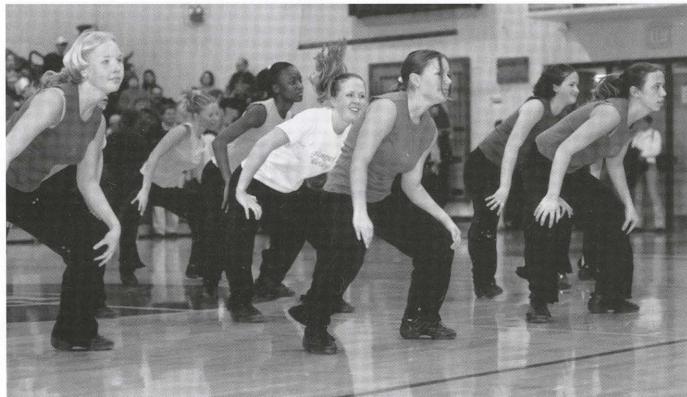

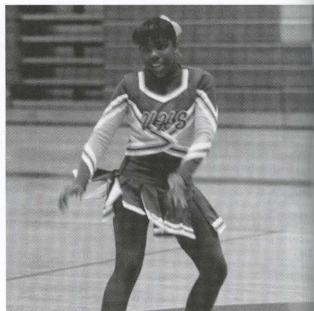

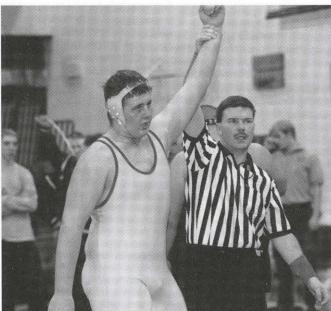

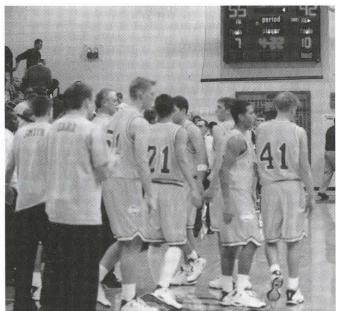

AND NOW IT'S TIME TO MOVE ON, WHICH SEEKS RIGHT TO US. THE HOLES LEFT WHEN THE SENIORS HEAD OFF ARE QUICKLY PATCHED AS A NEW GENERATION OF U-HIGH STUDENTS TAKES OVER THE LOUNGE FURNITURE.

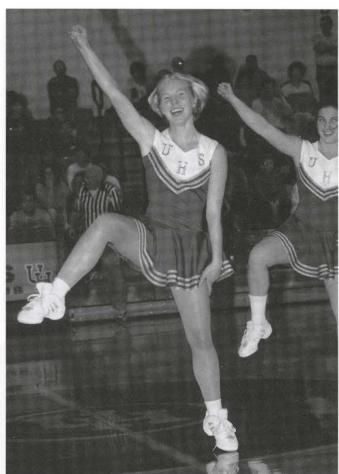

BUT AS WE GO FORWARD, LET'S NOT FORGET TO LOOK BACK.

The Election 2000

After five weeks of hand recounts, court appeals, concessions and retractions, Vice President Al Gore's final concession of the presidency to Texas Governor George W. Bush and his vice presidential running mate Dick Cheney brought an end to one of the longest and most eventful elections in American history.

What happened? The Election at a Glance:

November 7 (Election Day): Shortly before 8 p.m. EST, the major television networks estimate Al Gore and vice-presidential running mate Joe Lieberman the winners.

With a too-close-to-call election throughout much of the nation, Florida becomes the key state in deciding the winner, as the next president will need Florida's 25 electoral votes to win.

November 8: At 2:15 a.m., results from Florida begin to suggest George Bush carries the battleground state. Gore concedes the election to Bush, thinking Bush has at least a 50,000 vote lead. Forty-five minutes later, Gore gets word Bush's lead has shrunk to only a few thousand votes, and retracts his concession.

Due to the closeness of the election, the focus turns to questionable ballots and fair voting practices.

In St. Louis, Mo., a controversy arises over a lower court's ruling to keep the polls open past the 7 p.m. deadline.

In Palm Beach County, Fla., an unexpectedly large number of votes for Reform Party candidate Pat Buchanan lead to questions about the legitimacy of the punch-card-style "butterfly ballot."

November 9: Gore's team requests a hand recount of ballots in four Florida counties, Palm Beach, Miami-Dade, Broward and Volusia.

November 16: Bush's lawyers submit written arguments to the U.S. Federal Appeals Court to end recounts.

November 22-December 8: Hand recounts and legal battles continue, making the word "chad" (the small piece of paper punched out of the ballots) a household word.

December 9: The U.S. Supreme Court halts the manual recounts and sets a hearing for two days later.

December 13: In a public concession speech, Gore states he no longer wishes to prolong the election, and yields the presidency, making George W. Bush the nation's 43rd president, and the first chief executive since Benjamin Harrison in 1888 to claim the office with the majority of electoral votes but a minority of the popular vote nationwide.

Elian Gonzalez, a six-year-old Cuban boy found off the coast of Florida, survived yet another ordeal: the brutal custody battle between relatives in Miami and his father in Cuba. The long struggle culminated in a late-night raid on a Miami home where armed U.S. agents seized Elian by force, putting him in the custody of his father who returned with Elian to Cuba.

In a stunning surprise move, Israeli Prime Minister Ehud Barak announced his resignation. Barak's popularity had dropped during the ongoing conflict between Israelis and Palestinians. Barak stood for re-election, hoping for a vote of confidence from the Israeli People, but lost to Likud party leader Ariel Sharon.

Many thought peace between North Korea and South Korea would never happen, but the past year saw warming relations between the two countries, which are still technically at war. Images of North Korean leader Kim Jong Il entertaining South Korea's Kim Dae-jung at a June peace summit in Pyongyang were considered some of the most surprising news pictures of the year.

Elections in Yugoslavia turned angry when Prime Minister Slobodan Milosevic lost to the people's choice Vojislav Kostunica 35 percent to 55 percent. The election's close margin of error would have warranted a recount, but Milosevic refused to hold another election, declaring himself the winner. The outraged public rallied violently in the streets of Belgrade, and the riots combined with pressure from the U.N. and Russia finally forced Milosevic to concede the election to Kostunica.

Spectators beheld a dazzling opening ceremony, including the lighting of the torch by Australian runner (and native Aborigine) Cathy Freeman, who was later overcome with emotion when she won the gold for the women's 400-meter race.

Although the games received the lowest television ratings since 1968, many athletes gave inspirational performances.

United States sprinter Marion Jones fell short of her goal to win five gold medals, but still got the gold in the 100 and 200 meter sprints, and the 4x400 meter relay, as well as the bronze in the long jump and 4x100 meter relay, winning the medals in spite of the distraction of husband and shot put world champion C.J. Hunter's positive drug test.

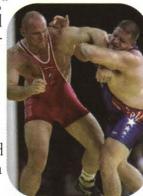

Maurice Green, U.S. sprinter, not only took home the gold, but he also retained the title of "World's Fastest Man" after finishing the 100-meter sprint in 9.8 seconds.

In the water, Laura Wilkinson had a surprise victory over a superb Chinese team to move from fifth place to first and win the first U.S. gold in the women's 10-meter platform in 36 years.

The Kansas City Wizards downed the Chicago Fire, 1-0, for the MLS Cup at RFK Stadium in Washington, D.C. The win was a surprise comeback for the Kansas City team who finished last in 1999, and had not been to the MLS post-season since 1997. With 10 saves in the Chicago game and a record 16 shutouts in 2000, Wizards goalie Tony Meola had one of the best seasons of any player in MLS history, earning MVP honors from MLS and Honda, as well as Aquafina Goalkeeper and Ace Comeback Player of the Year awards.

Demonstrating the convenience of e-commerce, former computer systems manager Mitch Maddox rented an empty apartment in Dallas, and, armed with only a laptop, lived exclusively online for a year without leaving his apartment. He ordered everything online, from food and furniture to a personal artist who decorated the apartment. The 26-year-old Maddox changed his name to **DotComGuy** and hosted a 24-hour live feed of his experience.

After years of urging recruits to "Be all you can be," **The U.S. Army** decided it was time to update their image and change slogans. Targeting recruits between the ages of 18 and 24, the Army launched new promos focusing on technology, training, benefits and the individual with the new tagline "An army of one." The old slogan was ranked the second best advertising campaign of the 20th century.

Old Man Winter dealt the United States a heavy blow beginning in late November. Heavy snows covered the Midwest and Northeast throughout the holiday season, and southern states such as Oklahoma, Texas, Arkansas, Georgia, and Florida suffered unusually cold temperatures and heavy ice storms, which damaged crops and caused lengthy power outages for many residents.

Both Firestone and Ford suffered major blows after Firestone, a unit of Japan's Bridgestone Corp., was forced to recall six and a half million 15-inch ATX, ATX II and Wilderness tires, most of which were mounted on Ford Explorers. The faulty tires separated from their treads, causing major accidents, personal injury and more than 100 deaths. The recall is one of the largest in U.S. history.

The Army tested the Crusader, a faster, bigger mobile howitzer intended to replace the Paladin. The \$23 million system can travel up to 29 miles per hour, with a shell distance of 25 miles. It can also fire a series of 100-lb. shells in rapid succession at different trajectories so that the shells all land in their target zone at the same time.

A statue of wheelchair-bound President Franklin Delano Roosevelt was dedicated as the centerpiece of the Franklin Delano Roosevelt Memorial in Washington, D.C. Only two pictures exist showing the

President in his wheelchair. Stricken with polio at age 39, which caused him to lose the use of his legs, Roosevelt kept his handicap a secret for political reasons. The National Organization on Disability fought for six years to get a statue that showed the President as he lived.

Unusually cold temperatures and the lights of the holiday season put a crunch on the California utility market. Exorbitant electricity prices coupled with the threat of rolling blackouts angered consumers who were urged to conserve power, and even take down holiday lights. Despite a cap on the state's utility rates, the California Public Utilities Commission approved a 26 percent rate increase to help the two largest utility companies out of \$9 billion dollars of debt. Blackouts throughout the area caused local merchants to suffer and lose revenue.
